

November 10, 2015

Dear Parents,

The following information comes to us from the Consortium of Catholic Schools' business office.

The primary mission of the Child Nutrition Program in our school is to provide healthy food to the children during the school day, including breakfast, lunch and snack. In order to fulfill this mission, we are required to comply with the federal Child Nutrition regulations. **Cupcakes and foods high in sugar can no longer be offered to the students during the school day, including class parties and birthday celebrations.** If foods such as pizza, candy, cupcakes, chocolate which contradicts that mission are eaten by the children during the school day, this negates the positive influences of the Program.

Below are snacks that are approved by the Child Nutrition Program, and may be sent in for celebrations.

<b>Whole Grain Pop Tarts</b>	
<b>Rice Krispies Treat Made with Whole Grain</b>	
<b>Kellogs Nutri Grain Cereal Bar</b>	<b>Apple Cinnamon Strawberry Blueberry Greek yogurt bar</b>
<b>Kellogs Rice Krispies Chewy Granola Bar</b>	<b>Cocoa Krispies Chocolate Apple Cinnamon</b>
<b>Kellogs Gripz Graham Bits</b>	<b>Cinnamon chocolate chips</b>
<b>Whole Grain Rich Eagle Popped Chips</b>	<b>Original with Sea Salt Honey BBQ Sour Cream and Onions</b>

**Cheez-It Cheddar Loco Made with Whole Grain**

**Cheez-It Atomic Cheddar Made with Whole Grain**
